## Rental Requirements

**To rent any equipment from Macville Productions, you need to provide:**

- A current Certificate of Insurance, issued by its Insurance Agent specifying:
  - The name, address and phone number of the Agent or Producer.
  - The Lessee name must appear as the Named Insured.
  - The name of the Insurer (i.e. Insurance Company ) affording Coverage.
  - General Liability Limits of at least \$ 1,000,000 per occurrence.
  - Rented equipment coverage of at least \$125,000.
  - Macville Productions, Inc. is named as an Additional Insured with regards to Liability Coverage.
  - Macville Productions, Inc is named as a Loss Payee for full replacement cost with regards to Equipment.
- **In addition, the special provisions section of the insurance must additionally specify:**
  - Coverage Form should be Special Form (not named perils). This was previously called "All Risk."
  - The leased equipment is on a replacement cost basis.
  - Covers theft of equipment from locked and unlocked cars.
  - Covers rented equipment in transit.
  - Worldwide coverage -- if necessary.
- Valid drivers license.

## Terms and Conditions

### Rental Return Time

All returns must be in by 10:00 AM on the scheduled return date. Late returns may be charged additional days rentals. It would be to your advantage, and we would appreciate, if you call us ASAP as you know or suspect that a rental may not be returned on time.

### Paperwork Requirements

All rentals require to set up an account. Please read, fill out, and sign the Rental Application. These need to be returned no later than 48 hours prior to the beginning of the rental. Also, please read the Rental Requirement to see how we handle insurance for your rental. Rental orders will not be processed until all of the paperwork is received and cleared by the Rental Administrator.

### Payment Terms

Rental orders require 100% COD payment before equipment is picked up, unless credit has applied for, checked and approved for a net account in advance. Without prior approval this payment must be made with cash or check only. All equipment that we sub-rent for you must have a 100% deposit (item cost + full shipping cost) placed before we will reserve the equipment for you. This deposit is fully refundable upto 48 hours before your set rental date. In order to set up a NET account we require a completed credit application as well as feedback from your current trade credit references. This may take a week or more for them to respond and us to evaluate the application so please do not submit a credit application at the last minute! Typically, we do not grant terms on your first rental; the granting of terms is at the sole discretion of Macville Productions, Inc.

### Insurance Deposit

A deposit equal to the deductible amount on your equipment policy is required on all COD rentals. Deposits are accepted in cash or check only.

## Terms and Conditions cont.

### Cancellations

Cancellations less than 24 hours in advance may be charged at 50% of the rental. This charge will be at the sole discretion of Macville Productions, Inc. Cancellation of shipped in equipment (equipment we sub-rent for you) may be done so up to 48 hours before your rental time. This deposit is fully refundable up to 48 hours before your set rental date.

### Rental Responsibility/Prep

We provide you with a complete, well maintained package, however, we do not know all the details of what you are shooting. You are responsible to inspect and test the equipment to be sure it meets your needs, as well as understand its proper operation and safety issues before accepting it for rental. For this reason, we provide you the opportunity to prep the camera the day prior to your shoot at no extra charge. All rentals will be deemed to be complete and in working order when they leave the Macville Productions, Inc premises whether or not you prepped them. You will be responsible for any missing or broken items while in your care and custody which begins when the equipment leaves the building and ends when it is inspected and approved by our technicians after return.

### Digital Media Policy

Please be advised that when you return digital media (RED Drive, Compact Flash cards, etc) we format the media as part of our check-in process. This obviously destroys your project files. **UNLESS YOU HIRE A RED TECH, YOU ARE RESPONSIBLE FOR DUBBING, ARCHIVING and/or COPYING YOUR PROJECT FILES PRIOR TO THEIR RETURN.** We also recommend that you erase the media to protect the confidentiality of the project and client.
